

PROYECTO DE VIDEO ¡PONTE EN FORMA!

OBJECTIVE: Students must create a script and video demonstrating their understanding of Chapter 5 concepts: commands (affirmative and negative) and vocabulary.

TASK: Students must work in groups 2-4 people. Each student will be held accountable for their individual participation as well as their group's. Students must write a script for their video infomercial. The script/video must include the following:

- * Greeting
- * Commands (Regular and irregular commands ex. haz, pon, come, camine, etc)
 - You must have 8 commands individually. They may not be repeated.
 - Commands about what food to eat and what not to eat
 - commands about exercises to do and how many times a day or week
 - commands about how to do the exercises so you don't injure yourself
- * You must also have a complainer in your group that doesn't want to be healthy and is always giving excuses. (use "es que...")
- * You must have a leader in your group that encourages everyone, including the complainer.
- * You must write a minimum of 20 lines for your script.
- * The final script must be typed with everyone's name on it (see my website for accent instructions).

VIDEO: The video must be 3-5 minutes long and include everything in the script. You must have visuals to accompany you during your performance. For example, you must have food to demonstrate what to eat and not eat. You must wear workout clothes while performing exercises. Be creative.

	Excelente 10	Bueno 7	Regular 5	Pobre 3	no existe 0
Video duration 3-5 Minutes					
Presented material in an creative way					
uploaded video to YouTube and shared with teacher					
Organized video logically (has a nice flow)					
Correct use of negative and affirmative commands * 8 commands/person					
Commands used about food					
Commands used about exercise					
Overall quality of video					
Total:					

All projects must be uploaded to YouTube and shared with me by using senorarinderle@gmail.com by _____ One rubric needs to be attached to the final script. No extra rubrics will be given out. Failure to attach rubric, will result in a 10 point deduction.
